### Benefits of Corporate Sponsorship

- **Corporate logo and recognition as a Corporate Sponsor on all of our mailings, email and brochures, and on our website.**
- **Corporate Membership in the Orange County Chapter of the Western Pension & Benefits Conference. (A Corporate Membership – a value of \$900 - includes admission for any three employees of the company to all of our regular monthly meetings.)**
- **Recognition as a Corporate Sponsor on a sign at each regular breakfast meeting during the year.**

We are committed to helping define the role of the benefits professional in the 21<sup>st</sup> century. As changing legislation, technology and market forces reshape the profession, products and delivery systems, we continue to foster and support personal growth and professional development to help our members meet the challenges ahead. We place special emphasis on opening communication between individuals in benefits and related professions: highlighting business, economic and legislative trends as they impact the employee benefits arena, and fostering sound procedures, principles and practices in all areas of pensions and employee benefits.

Throughout the year we host a series of seminars and forums where you can meet and exchange ideas with your peers in the industry and learn from leading benefits practitioners, plan sponsors, and governmental officials. We strive to address a broad array of both technical and practical pension and employee benefits issues, with a focus on the needs and concerns of plan sponsors of all sizes. Our meetings provide an invaluable forum for you to get to know other benefits professionals and build a network of skilled contacts to help you meet the demands of your job. We hope that you will join us and discover the educational and professional benefits the Orange County Chapter can provide to you.

Our program for the 2008-2009 Program Year includes eight topical programs and potentially three technical forums. Our monthly seminars are generally hour-long breakfast meetings focusing on a wide variety of topics relating to pension and benefit plans. Our technical lunch forums provide an opportunity for a small group to focus on the fine points of a technical question. We think you would be hard pressed to find a more convenient and cost-effective way to stay abreast of current pension and benefits issues. Our current mailing list, including members, is approximately 100 Plan Sponsors and 300 Pension Professionals.
